Activity					Section	on 1.0			Sec	ction	2.0		Section	on 3.0	Section	on 4.0			
	1	6	7	8	9	10	11	12	13	14	1	2	3	4	5	2	3	1	2
Course: Advanced Electrical Safety	X																		
Course: Advanced Workshop on Nuclear Emergency Planning				X															
Course: Basic Course in OSHA Standards for the Construction Industry					X														
Course: Basic Hazardous Materials Workshops			X																
Course: Basic Hazardous Materials (HAZMAT) Workshop			X																
Course: Chemical Hazards Assessments			X																
Course: Chemical Process Hazards																			
Course: Electrical Safety, Hazard Recognition, and Safety Precautions	X																		
Course: Emergency Response to Hazardous Materials Incidents			X																
Course: Environment, Safety, and Health				X															
Course: Excavation SafetyHow to Comply with OSHA's Construction Standards for Excavations					X														
Course: Fundamentals of Industrial Hygiene																	X		
Course: Fundamentals of Industrial Hygiene				X		X			X										
Course: Fundamentals of Occupational Safety								X						X	X			X	
Course: Hazard Communications Workshop																			

					Section	on 1.0				Sec	ction	2.0		Section	on 3.0	Section	on 4.0		
Activity	1	6	7	8	9	10	11	12	13	14	1	2	3	4	5	2	3	1	2
Course: Hazardous Material Training Course																			
Course: Hazardous Waste Management						X													
Course: Hazardous Waste Operations Training																			
Course: Industrial Hygiene Monitoring for the Safety Professional						X			X										
Course: Introduction to Hazardous Materials																			
Course: Introduction to Industrial Hygiene for Safety Personnel				X															
Course: Machine Guarding - OSHA Training																			
Course: Managing Occupational Safety in DOE					X														
Course: Occupational Safety and Health Administration (OSHA) Regulations Overview				X															
Course: Occupational Safety and Health Program for DOE Contractor Employees														X	X				
Course: Occupational Safety and Health Standards for the Construction Industry																			
Course: Orientation to Occupational Safety Compliance in DOE					X			X											
Course: OSHA Awareness for Managers and Supervisors												X							
Course: OSHA Compliance Course																X			
Course: OSHA for Federal Agencies													X
